

Flood Prevention One Year On:

How Communities Can Work Together

Thursday 29th January 2015, 7-9 pm

Wallingford Town Hall (note change of venue)
Market Place, Wallingford, OX10 0EG

Overview from **Gordon Hunt** (County Drainage Engineer)

Then two presentations from local community groups:

Stewart Scott (The Hanneys Flood Group)

Dr Harvey Rodda (Chalgrove Strategic Flood Risk Assessment)

Followed by questions to a panel and refreshments

*Organised jointly by **South Oxfordshire Sustainability Group** and **South Oxfordshire & Vale of White Horse District Councils***
