

SOUTH MORETON PARISH COUNCIL

APPLICATION FOR A DONATION

The Parish Council invites applications from local organisations which require financial assistance to fund specific projects that will be of benefit to the residents of this Parish. In order that the Council may consider the merits of such applications, please complete the questionnaire below giving as much information as possible about the project being considered or being undertaken; continue on a separate sheet if necessary.

Please also attach a copy of the most recent audited accounts. Inevitably the demand for funds will exceed the total amount that the Parish Council can allocate, so some scaling-down of the requested amounts should be anticipated.

Please take note of the Donation Policy which can be found on the Parish Council Website or obtained from the Clerk.

Applications will be considered by the Council at its next meeting. Successful applicants can expect to receive the donation, if approved after the following meeting.

In order to comply with Audit Regulations the Parish Council will require proof, (e.g. receipted invoices, photograph of completed project) that the project which has received a donation has been completed and the money used for the purpose intended. With this in mind recipients should understand that they may be asked to make a short presentation at the Parish Annual Meeting in April.
